BIG GERMAN RACE

BERLIN, Sept. 12.—"Bobby" Walthour, the American cyclist, won the international bicycle race at 100 kilometers (62 miles 53 feet) here. His time was 1:21.8. Diekmann, of Holland; Hall, of Holland, and Robl, of Germany, finished as named. Walthour won easily and without having to change his motor pace.

This is Walthour's second important victory upon the European tracks this season, as he won the 100-kilometer motor-paced race for the world's championship at the Crystal Palace, London, on Sept. 5. He is also the holder of the American long-distance championship, and won the last two six-day races in the Madison Square Garden.

THE KANE THURSDAY

Jehnnu Burdick and Jack Durane, of Savannah, are to clash for fifteen rounds at 122 pounds, before the Nonpareil A. C., of Baltimore, Thursday. The club has been trying for the past two weeks to obtain a good boy to box Burdick on that date. Kid Locke, Young Ernie and Kid Beebe had agreed to meet Burdick, but when called upon to post a forfeit backed out. Beebe signed articles to box at 122 pounds a week, and then claimed that he had promised to box McGovern before any other club that week. Durane, who recently defeated Tommy Feltz, was signed.

Burdick since his victory over Griff and Hyatt has been much sought after by the Baltimore clubs.
